Greetings and Salutations

Good evening, everyone and welcome to Raynes Park for this Pitching In Isthmian League South Central Division match between Kingstonian and Moneyfields.

Our opponents tonight from the Portsmouth area are currently sitting in sixth place just outside the play-off zone and are in fine form, having won their last four games, including an impressive win over second placed Raynes Park Vale at home on Saturday, with their last defeat coming at the end of September at home to Egham Town.

As for the K's, Saturday was one of the weirdest afternoons I can recall for a while, where effectively we did almost everything right against Littlehampton Town and forgot to win as we took the lead with nine minutes to go after Stan Flaherty's shot hit the post with Sean O'Brien pouncing to net the rebound.

All went right until it went wrong as suddenly Littlehampton, playing with 9 men against our 10 after three red cards, converted a penalty with three minutes left, before scoring from a counter-attack in the fourth minute of added time as the Golds ripped the victory from us, but if we'd have taken our chances, certainly in the first half, we'd have been safe and claiming the bagful of points, so in a frustrating and annoying way we got what we deserved.

Our Under 18s are continuing their good form, with a tremendous victory in the Isthmian Youth League Cup, beating Worthing 3-2 at South Park (Reigate). They will be in action again tomorrow night, when they play host to Lingfield in a CCL East Division fixture, kick-off at Colliers Wood United will be the usual 7.45pm.

There's plenty of football to be played in the next few weeks, in fact we don't have a spare midweek until close to the end of November.

Next up therefore for us is a trip on Saturday to Chichester to play Bognor Regis Town, the Rocks currently playing there as they lay an artificial pitch down at Nyewood Lane. Kick-off in Chichester is 3pm. After that, we're back here next Wednesday for the first of three consecutive home games, and for this one Hendon are the visitors for a league match, kick-off 7.45pm.

The other two home games sees us face Hayes and Yeading United on 1st November for a 3pm kick-off and then a Second Round tie in the Isthmian League Cup on 5th November against Three Bridges, kicking off at 7.45pm.

So, time to buckle up and get ready for what we hope will be an excellent game, so get behind your team whomever you support and I'll switch on the **bold font and scream COME ON YOU K'S!!!!!**

A Short History of Moneyfields FC

The Club began its current guise back in 1987. Having reached the upper age group of the Portsmouth Junior Leagues, a group of players decided to continue playing as a collective by joining Portsmouth Civil Service and in turn forming their Reserve side.

Gradually most of the players moved up to the First Team, by 1991 the side had risen from the Portsmouth League into the Hampshire League Division One, coming off the back of three successive promotions. The Club's League success was also matched in Cup competitions with Portsmouth Senior Cup wins in 1991 and 1992, followed by Hampshire Intermediate Cup victories in 1992 and 1993.

After several seasons in the upper reaches of the Hampshire League, it became apparent that the Club would have to move away from their home in Copnor Road if they were to progress. After scouring the city, the Club agreed a lease on the old Moneyfields Sports Ground in Copnor.

In 1994 the Club moved to its current ground and became part of the Club whose name we now carry.

The Division One years were particularly successful and under the management of George Wain and Micky Gee, Moneys never finished lower than 6th and clinched the 1996-97 League Title by 15 points.

Success on the field was matched by extensive ground developments off it. This was in thanks to a National Lottery Sports Fund grant. New changing rooms, offices and a floodlit all-weather pitch were constructed as part of the scheme to bring the facilities up to Wessex League standard.

With the developments in place, the 1997-98 campaign saw a tense battle with Blackfield & Langley to see who would claim a spot in the Wessex league. Although Blackfield just pipped Moneys in the table, Moneyfields better facilities meant it was they who claimed promotion.

The first season in the Wessex League saw the club surprise many people by finishing 6th. The next couple of seasons saw the club post respectable top-ten finishes, but after finishing a disappointing 16th in 2000-01, George Wain and Micky Gee decided to step down after 13 seasons charge.

Under the managerial trio of Calvin Hore, Terry Arnold and Paul Gregory, and then the duo of Craig Stafford and Miles Rutherford, the Club has established itself in the middle third of the table as well as embarking on a series of runs in the FA Cup and FA Vase.

The management line up was boosted in 2004-05 by the arrival of Bobby De Ste Croix and Alan Smith from Havant and Waterlooville. Where the duo managed to lead Moneys to mid-table finish, for 2 seasons in a row and reached the Final of the Portsmouth Senior Cup in 2005-06 losing 4-3 to Gosport Borough at West Leigh Park. In the 2006-07 Moneys reached the 3rd Round of the FA Vase, losing to AFC Totton.

The 2007-08 season saw the sudden departure mid-season of Craig Stafford, with the team ending the season in 7th position. Moneys were defeated in the League Cup Final, losing 1-0 against Wimborne Town. They also reached the 2nd Qualifying Round of the FA Cup, being knocked out by Team Bath at Dover Road.

2008-09 season Moneyfields had their best start to the season, leading the remaining 21 teams for a short period of time and seeing Moneys youth product Conor Bailey scoring Moneys 100th Goal of the season. The campaign ended positively with the First Team and Reserve Team both Finishing third in their respective League Tables. While the 2009-10 season was Moneys worst season at home, with only 5 wins at Dover Road leaving the club in twelfth place. The Reserves ending the season in 4th place.

After 5 seasons in the Moneyfields Hot-Seat, Bobby De Ste Croix Retired as Manager. He was replaced by former Manager Micky Gee's son Graeme, who was also a very loyal player over the years at Moneyfields.

2010-11 season Moneys finished a respectable 7th place in the Wessex Premier League. Warren Hunt topped the goalscoring charts with a Club Record of 35 goals in a season. The Reserves finished 4th in the Wessex Combination League and finished Runners-Up in the Portsmouth Senior Cup Final losing 1-0 to Horndean. Moneys ended the following season [2011-12] in 4th position, with former AFC Bournemouth Forward Steve Hutchings finishing top goalscorer, with 34 goals. The Reserves again finished 4th but this time in the newly formed Wyvern Combination League, another Portsmouth Senior Cup Final defeat was on the cards for the Reserves, as they were beaten 4-3 at Fratton Park by US Portsmouth. The Club bounced back in the 2012-13 campaign with a Portsmouth Senior Cup victory, but then were Runners-Up once again in the 2014-15 Portsmouth Senior Cup.

The 2015-16 saw Moneyfields manager Miles Rutherford resign after 12 years in charge and was replaced with Dave Carter, who joined from fellow Wessex Premier Division side Horndean in October. Carter led Moneys to an 8th placed finish and Moneys also reached the 4th Round of the FA Vase. The Reserves ended the season 2nd in the Wyvern Combination League.

In Carter's first full season at Dover Road [2016-17] Moneyfields finished top of the table in Wessex League Premier Division. But only three days after the season ended, the FA took 3-points away for Moneys fielding an ineligible player giving the title to Portland United. Moneys still gained promotion to the Southern Football League Division One South-East.

Moneys ended their first season in the Southern Football League Division One South-East with a decent 10th placed finish. The Club also entered FA Trophy for the first in their history.

2018-19 Moneys won a place in the Play-Offs, after ending the season 4th in the League Table, on 71 points. Despite clinching a Play-Off place, it was made impossible for the Club to gain promotion due to technicalities. This was because of a League restructuring and there then being insufficient space in the Leagues above for all of the Play-Off winners to be promoted.

Moneyfields were placed in 18th when the 2019-20 season was abandoned and were also in the Portsmouth Senior Cup Quarter-Final and the Hampshire Senior Cup Semi-Final. Moneys played the remaining Portsmouth Senior Cup ties during the 2020-21 season and went onto win the Portsmouth Senior Cup against Baffins Milton Rovers at Fratton Park. In February 2021 Dave Carter stepped down to join AFC Portchester as Manager, so the two Louis' [Savage and Bell] took charge for our Portsmouth Senior Cup Semi-Final versus Fareham Town and for the Final.

The 2021-22 campaign was Moneys first season back in the Wessex League after voluntarily being relegated due to a loss over sponsorship and finance because of the COVID-19 Pandemic. The team was under new management in Glenn Turnbull, Fraser Quirke, and Paul Barton, who joined from US Portsmouth. Moneys finished 9th in the League and made the Final of the Portsmouth Senior Cup, losing to Gosport Borough 4-1. The following season, Moneys played their home games at The Draper Tools Community Stadium [Home of Havant & Waterlooville] due to the redevelopment of Dover Road into the John Jenkins Stadium. The Club attendances were at an all-time high in the 2022-23 season, with gates averaging 230 per game, including a Club record attendance of 1,012 against AFC Portchester in a thrilling 3-3 draw on 27 December 2022.

On 13 April 2024, the club beat Laverstock & Ford 4-2 away from home to clinch the Wessex Premier Division title, being the first team from Portsmouth to do so.

Kingstonian 1-2 Littlehampton Town

This was one of the silliest, strangest, craziest afternoons in quite a while as nine-man Littlehampton Town fought back to defeat ten-man Kingstonian at Grand Drive.

Scott Harris' first game back as manager of Kingstonian looked like it would end up victorious but the hooped ones failed to see the game out and were beaten by a penalty and a counter-attack.

The first half was a fairly slow affair that saw the K's enjoy the vast majority of the possession, create a number of half chances but not convert any. Littlehampton were strong in defence and were able to beat back any attack, and so the game turned around goalless.

The second half was anything but slow. Littlehampton started the half more positively and caused a few problems, but in the 55th minute, everything changed.

Littlehampton Town won a free-kick, so Ks captain Joe Pratley-Jones decided to slow the taking of the kick and found himself rugby tackled from behind by Marshall Ball.

It was a decent tackle, to be fair, but as it was in a match of the wrong sport, and, as the Littlehampton man had already been booked, he was shown a red card. For his part, PJ was shown a straight red card, the referee said afterwards that he believed that there had been an eye poke, so both teams were down to ten men.

The game then went back to type as Kingstonian had plenty of possession, didn't manage to do an awful lot with it, though Arsen Ujkaj did hit the post, and Littlehampton just soaked up all the pressure.

The Golds went down to nine men in the 75th minute when George Gaskin clumsily kicked Stan Flaherty up in the air, as he had already been booked, he got sent to the showers early.

There was plenty of room on the pitch by now, and all the scoring came in the closing moments. First of all, a super shot from distance by Stan Flaherty in the 81st minute clattered the post, the ball bounced in front of goal and Sean O'Brien won the race to it and was able to give his side a deserved lead.

But for the third game in a row, K's were unable to hold on to a late lead. With three minutes of normal time remaining, Littlehampton won a penalty, which was converted by Jordan Layton. It got worse, though, as in the fourth minute of added time, Littlehampton broke down the left, the cross came in and substitute Gabriel Robinson slid the ball home to claim all the points. The Golds contingent celebrated wildly whilst the Ks wondered what the heck had just happened.

Simon Grier's Guide to Chichester/Bognor Regis Town

The match: Bognor Regis Town v Kingstonian, Isthmian League. Saturday 25 October, 15:00.

The club: Long-standing Isthmian opponents who usually play an attractive style of football. They were relegated last season, bringing us back together in Isthmian 1SC.

The town: Bognor are currently replacing their (always excellent) pitch with an artificial surface, so the game takes place at Chichester City's ground. Chichester was originally settled by the Romans and owes its city status to its cathedral which was founded in 1075.

The ground: Oaklands Park, Oaklands Way, Chichester, West Sussex PO19 6AR. A relatively small ground for step 3, with a main stand on one side and some terracing on the other but not much behind the goals.

Tickets: £10 adults; £5 15-18s; U14s free £1 extra to sit in the main stand.

Directions: It's an hour and 25 minute train from Clapham Junction, leaving a 20 minute walk to the ground. The journey from Kingston could take up to two hours down the A3. The ground has a small-looking car park but it's also near a large pay and display. The Supporters Club has a special deal on for travel, with the minibus just £10 for adults and free for children.

Our record there: Our only previous visit to Chichester saw us win 1-0 in the FA Cup Preliminary Round, back in 1984.

Players to watch: Dan Lincoln has recently returned in goal. He had a long spell in goal for the The Rocks in the late 2010s and is also notable as a wicketkeeper - he's played one first class match for Kent and 11 times for Middlesex in the t20 Blast. Callum Laycock is top scorer with seven goals so far this season.

Recent form: 17th in the league although now picking up form after a dreadful start, with three wins from their last four including a 4-1 at Hendon and a 3-0 at Southall.

Crowd: One of the best supported teams in the division and they usually make some good noise. Relegation, and the temporary home in Chichester, have unsurprisingly hurt their crowds this season though.

Drinking: The walk from the station takes you right through the town centre, so you probably won't have a wider choice all season. The Hole In The Wall is owned by Esher-based Big Smoke, the brewery that also has the Albion in Kingston and the Antelope in Surbiton. The Park Tavern is a pleasant-looking Fullers pub and the Escapist is a classic micropub of the type so common in Sussex and Kent. The closest pub to the ground is The Bell Inn, which looks pleasant and traditional.

Food: Most of the pubs do food and there's a huge range of other choice in town.
